Academic Chess is coming to school!

The Academic Chess Instructor will be visiting every class for one hour per week for two weeks to teach the entire student body the game of chess!

Chess has been proven to improve critical thinking skills and we will teach it using stories, dances, and songs so that your kids will not forget how the six pieces move.

All equipment, including chess sets and boards, is provided.

Office: (775) 825 – 3210
